

Greater Phoenix Chinese Christian Church
Thanksgiving Service
Sunday, November 19th 10:30am-12:00pm

What is special about this service?

Since we are one church family, it is one combined service on the front lawn. This is the only place on the church campus large enough for everyone to be in one place at one time. The service is less formal and more family oriented. Think of a picnic. Bring a lawn chair or blanket.

What about the elderly or pregnant moms where sitting on the lawn is difficult?

There will be some seats provided especially for them. Since these seats are limited, please give them priority.

What about children?

Children will sit with their parents. There is no children's program.

Where do I park? Where do I enter the service?

Park as you usually do. Enter the service from the east side of the lawn.

A complimentary lunch immediately follows the service.
